

Viewing a Full Quote

View a summary of a security's trades, including bids and asks, along with fundamental data, such as EPS, P/E, and Price to Book Value in the customizable Full Quote display. You can also view a ticker tape of the latest trade details and a candlestick chart of the intraday performance.

Click the linked values to launch components related to the value. For example, click the price value to launch the Chart display or click the FY1 EPS value to launch the Estimate Tables report.

By default, data is displayed in local currency. Right-click and select "Currency" to change the display currency.
